

Calence, LLC chosen #1 Fastest Growing Private Company in Arizona

PHOENIX, Arizona – September 19, 2007 - Calence, LLC, a leader in building, managing and optimizing networks announced it has just won two Arizona Corporate Excellence (ACE) Awards for 2007: #1 Fastest Growing Private Company in Arizona and #17 for the Largest Private Company In Arizona.

The winners are ranked by revenue over the most recent two years. The formula is based 1/2 on actual dollar growth over those two years, and 1/2 on percentage-revenue growth over those same years. This formula puts both small and large companies on an even playing field with each having an equal shot at making the list.

“Calence is extremely proud to have won these awards,” said Mike Fong, chief executive officer of Calence. “Our outstanding growth is a direct result of our commitment to our customers, our focus on innovation and the incredible team of people we have assembled within the company.”

About Calence

As the largest pure-play network solutions provider in the U.S., Calence (www.calence.com) helps organizations plan, build, provision and operate their network, security and unified communications infrastructures. Calence works with many of the world's most prominent organizations to leverage network technologies to reduce costs, improve operations and increase productivity.

A recognized leader in network professional services and outsourcing, Calence operates in more than 20 markets nationwide and is one of Cisco Systems (www.cisco.com) top partners in the US.
